Thankyou all for providing the entertainment for us and representing our proud club, Brighton Seagulls in 2020.

Also thankyou to all our many parents who brought your kids to training and to the matches throughout the season. A particular special thankyou to those who assisted in supporting the team rosters at our 4 home games during the year. And finally the appointed team officials, for without their dedication our children would not have been able to enjoy their footy!

Our Under 10 and Under 12 team have qualified for what is a play off this year for the premiership in their respective divisions on Saturday 26th September. These finals will be played at Cahill Park, Wolli Creek and we hope that our supporter base will make a big effort to attend and support our two teams on the day. Our last Saturday morning for the year at our home ground and what a great morning this incredible bunch of boys and girls had ! We had great support from the families and club faithful on the sidelines giving our boys and girls great encouragement to get them rolling along. The game was a bit of a slow one due to our opponents and we spent a lot of time on the defensive line as they completed the full five tackle sets every time and this awesome crew showed how good they can be as they only allowed them to cross three times to our eleven!

Our defence was led by the little fella Harvey jumping out of the line and being the first in most of the time, and always there was Mohammed and followed by Ali cleaning up if needed, but everyone in this team then stepped it up and getting amongst the action when interchanges were made! A special mention goes to Albana and Conner both showing how to tackle around the legs giving a great display now to our attack which was incredible, but short as whenever we got the restart we scored or just after one play the ball.

Koby and Suburu started off the try scoring in the first 1/4 with two exceptional tries, Lucas then going the length of the field for his followed by Mohammed for his and then Xavier putting on a sprint for his first for the season, congratulations. The next 1/4 saw Mohammed bag a double with Maximus then also running the length of the field for his try, in the final 1/4 Ali scooped up a loose ball for a try then going the length for his second!

It was a great effort by each and every member of this incredible under 6 side to achieve what they did today, even Leonardis who turned up with a minute to go to join them on the field! Our man of the match this week was Xavier who got his first try for the year and stepped it up in defence well done buddy.

Today showed that training pays off as your defence was awesome! You kids rock! What a great win and thank you to the parents again for your support and to those that volunteered at the canteen THANKYOU .

On Saturday morning for round 9 we were back at our home ground Scarborough Park. Our team was ready to challenge both Kingsgrove teams (blue & red) in a three-way game. It was an excellent game to watch. Even that our team was half asleep on the first eight minutes they still put their heart and soul with very strong tackling and strong attack winning over Kingsgrove Colts (blue) scoring 3 tries and converting three goals. Our Brighton Seagulls U8 team trained really hard through the season to achieve and win over the best team in the comp and with hard work it has paid off. After 15 minutes break Brighton Seagull's were ready to challenge Kingsgrove Colts (red). This team had 9 players on the field while we had 7 but that didn't stop our boys and girl to play harder, tackle harder and take the win home. The arrogance of these two teams gave us a great experience to be better. To our boys and girl Aj, Dennis, Adem, Natalea, Luchiano, Elijah, Hussein-Noah and Hamudi (U7) I absolutely applaud you for all your hard work and 100% effort through the season. U9 Brighton Seagulls 10 v Renown Green 24

Tries: Conor, Lucas Kicks: Lucas

We played our final home game of the season on Saturday and it was a beautiful Sat morning to play footy. We were up against the best side in the comp who hadn't lost a game in the previous 2 years. We started the game well with some very good defence. Jerome and Haney were defending the middle well and James and Micah stopping them when they went wide. Conor was like a man possessed and he absolutely smash a few Renown players with one tackle being so good that it got a huge cheer from all the parents. We went set for set in the first quarter. We defend a whole set in our own quarter with some great team defense. We were unlucky to knock on their kick. They finally managed to dive over from dummy half to score. 6-0 at the first break. We again started the 2nd quarter well. Amelia, Micah and Jerome with some strong runs. We again put it up to them in defense. Daniel, Lucas and James with more strong tackles. Renown did eventually score in the corner for their 2nd try. Unfortunately Renown scored again right on the bell for half time. The 18-0 scoreline was a little harsh after a great 1st half performance. Brad and I told them how good they were playing and for them to keep doing what they were doing and we would get our breaks. The kids listened and started the 2nd half superbly. They moved up the pitch with some good sets, until finally after great runs from Haney and Hamzi Conor spotted a gap down the blind side on last tackle and took off. He caught Renown napping and scored a deserved team try. We managed to keep them from scoring in that quarter so the score was 18 - 4 going into the last quarter.

Renown had a lot of ball on the restart and after defending our line for a few plays Renown eventually scored. We did not let this get us down and continued to play our game. We tackled strongly and managed to force a turnover from a Haney, Atakan and Conor tackle. Amelia made a strong run and then James did too. Lucas gave quick down from dummy half and AJ took off. He was stopped just short of the line. Lucas sold a dummy and dived over to score our 2nd try.

The final score was 24 -10 but Renown knew they had been in a game.

It was the best game we have played all year and we were very proud of all the players.

Roll on Saturday and Kingsgrove

U10 Brighton Seagulls 50 v Arncliffe Scots 0

Tries to: Christian Matsas, Christopher Mougios, Dylan Kotevski (3), Gabriel Wood, Luca Barbato, Peter Mallis, Mateja Marjonovic, Stelios Mougios, Tarik Iona

Goals: Christian Matsas, Dylan Kotevski, Luca Barbato, Peter Mallis, Romeo Nasr

It had been weeks since our Under 10's had played at home and the ground was perfect for this Saturdays game. The Seagulls kicked off and within minutes we had the first try on the board and with a really tight defence the team continued to get across the line to make try after try.

By half time the Seagulls were up 26-0. Holding a tight defense, making some big hits and tackles the team kept the Arncliffe Scotts from scoring. Though once the ball was in our play we powered through their defence and boy some of our tries were scored with incredible runs down the field, from amazing plays including multiple passes and off loads. This game was played with a sensational effort by the team, it was a win on a mercy rule with the final score 50 - 0.

Gabriel Wood was the Most Valued Player of the week, who really stepped up with his support game this week congratulations.
