# FROM THE PRESIDENT

Spring certainly served up a decent entree last Saturday with all teams and their parents except the Under 10's who had a bye, enjoying the football in brilliant sunshine.

I would like to give a shout out to all our ladies who this season are playing a major role in the operation of our club. Kayleen, Sarah and Francesca are all playing vital roles on the committee. As well, Sarah Wood, Vicki, Angie, Anna, Renee and Francesca are holding various positions with teams each week to enable our kids to enjoy their footy. All have come forward to volunteer for the good of our kids and we should all be grateful. Thankyou ladies, we are blessed to have you as part of Brighton Seagulls!

All teams are away this weekend and it will be interesting particularly to see how our Under 10 team perform against the strong Renown side.

I have been watching lately, our non competitive Under 6,7 & 8 teams strut their stuff and am really impressed with the standard of footy these kids are playing. It makes me feel comfortable for the future of our club in the seasons to come.

Saturday 12th September will be our last day of home games for the season at Scarborough Park. Let's make this day a success and please parents, support the team rosters to allow our day to run smoothly.

Your President....

Bruce Hartley.

## SATURDAY 29TH AUGUST

### U6

Playing the Colts from Kingsgrove on Saturday last the sparkling football our kids played, matched the sunshine that greeted us at Renown Park. Again the enthusiasm of our team overwhelmed the Kingsgrove lads, scoring more tries and producing super efforts when defending. Leonadis proved untouchable scoring 5 tries as well as being impressive when defending. There were many surprising efforts on the day but none more so than that of Ali, who with some superb tackles earned himself player of the round and winner of the Bay Vista Desert Bar and Cafe Award. Lucas had a busy game that saw him cross the tryline on two occasions. Muhammed always scheming for ways through the defence and always relied upon to do his share of tackling. Xavier, more involved this season and was later elevated to assist the 7's when they needed help. Big effort Xavier!

Harvey although giving away age again was in the thick of it regardless of the attention of the naughty number 6 from the Colts. Plenty of charisma our Harvey! Maximus as usual gave a wholehearted effort throughout whilst Coby although losing direction with his pass on one occasion regrouped to finish in fine style. And Subaru who gives away size at times, as usual went forward with the ball and joined in the tackles. These kids are a delight to see play each week and I thank Renee, David and Steve for the effort they give each for these little champions!

Converted tries : 8

On Saturday morning at Renown Park it was a great sunny day. Everyone from the team arrived on time to warm up for the game against Kingsgrove (red). It was a time for a kick off and Brighton Seagulls U8 was ready for a great game. Kingsgrove (red) score try in the first 2 min of the game. Our boys and girls didn't expect that from this team. So It was time to put a show. Aj , Dennis, Adem, Elijah, Natalea, Hassan, Noah, Luchiano and Hammudi played their hardest putting their bodies on line, showing strong defence and even stronger attack. They all played as a team with good communication and showing individual skills . Well done to everyone one of you. We are all very proud of you. The one and only girl in our team that really showed 100% effort was Natalea Tavana (Player off the Match) YOU GO GIRL ♥♥ Great game boys and girls...keep up with all the hard work at training.
